

CAT. NO. SS	Mini BoneT Plate
100.031	Mini Bone TPlate 8 Hole

## Specification

- Plates available in Stainless steel.
- Plates available with 8 holes.

## Indication for use

- Depending on the location and treatment of the fracture, the Mini Bone plate can effectively fix small bone fragments, help the main plate to maintain the reduction of large bone fragments, and increase the fixation force for nonunion treatment.
