699.012	TT	occipatal Plate Screw- 12.0mm
699.013	TT	occipatal Plate Screw- 13.0mm
699.014	TT	occipatal Plate Screw- 14.0mm
699.016	TT	occipatal Plate Screw- 16.0mm

## Specification

- Cervical Occipital Plate is available in Titanium.
- Available length 35,40,45 & 50mm.

## Indication for use

- The plate is placed centered in the midline on the posterior aspect of the occiput.  
This allows for optimal placement, sizing and shape of the plate.
