1636.07	BONE GRAFT DESK	1
1636.072	IMPACTOR/EXTRACTOR	1
1636.078	CURRETE LEFT SERRETED	1
1636.08	CURRETE RIGHT SERRETED	1
1636.074	CURRETE PLAIN SERRETED	1
1636.076	CURRETE STRAIGHT SERRETED	1

Specification

- Implants are available in TT and PEEK.
- All instruments are available in SS.

.

Indication for use

- The system is used for treating degenerative disc disease, spondylolisthesis, and lumbar spine instability. It is also indicated in cases of spinal deformities and failed previous lumbar surgeries. It provides stabilization and supports interbody fusion of the lumbar vertebrae.
